

Since 2008 the Joshua Center has been offering opportunities for kids to have fun hands-on activities with kids their age to learn appropriate social skills. We're always interested starting classes in new locations.

Social Skills Classes are for kids with HFA, ADHD, TS and OCD in K-11th grades and meet on the 1st and 3rd or 2nd and 4th Saturdays.

Young Adult Life Skills classes including the Employment, Technology and Transition program (HS Seniors thru age 25) held at Joshua Center.

Social Skills Classes are taught by two education professionals utilizing the Joshua Center *Me and My World Social Skills Games and Curriculum*.
