

Become a Bowl-a-Thon Sponsor

Park Lanes
7701 Renner Road, Shawnee, KS 66217
April 13, 2024 - 12-2pm

How would it feel to know that because of you, hundreds of children and families living with neurological disorders were getting the help they needed? As a sponsor of **Joshua Center's Bowl-a-Thon**, that is exactly what you are doing! Sponsors directly impact the lives of children with Autism, Tourette, and OCD in the Kansas City metro area.

Joshua Center for Neurological Disorders works to ensure these children and families get the support and services they need through individual and family counseling, occupational therapy, social and life skills classes, young adult classes, summer camp, parent workshops, conferences for educators, and school support. This fundraiser is specifically to help fund our camp – including our camp scholarships. Help us ensure we don't turn a child away due to a parent's inability to pay. We truly believe camp changes lives. Together, we can give these children the opportunity to succeed in life.
